Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Morris Bridge Wellfield Improvements in fiscal year 2024. The entity to receive funding for this project is Tampa Bay Water, located at 2575 Enterprise Road, Clearwater, FL 33763. The funding would be used for the maintenance of the Morris Bridge Wellfield.

The project is an appropriate use of taxpayer funds because it would help ensure access to safe, affordable, and reliable drinking water to the Tampa Bay region in a way that is sustainable and environmentally friendly.

The project has a Federal nexus because the funding provided is for purposes described in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Laurel M. Lee
Member of Congress
